

Lifetime No Leak Guarantee On FlexArmor® Roof

LIFETIME GUARANTEE - We warrant the FlexArmor® roof application ("application") to be, at time of application, free from defects in material and workmanship under normal use and service, and we or another Certified Service Center, will, during the lifetime of the RV, repair any product failures. FlexArmor covers immediate roof substrate and FlexArmor material once a claim has been filed. The lifetime warranty covers against leaks around fixtures as they were when the roof was applied. Any additions are not covered under said warranty unless brought back to a Service Center for resealing. FlexArmor is not liable for any indirect or consequential loss, or damages to the RV or contents.

Any needed repair or replacement of parts under the terms of this warranty should be brought to our attention, or to any other convenient Service Center listed on our website, RVRoof.com. Notice of a defect to these persons will constitute notice to Corporate. In the event that no Service Center exists in your area, you should notify RVRoof.com, Inc. at:

Mail: RVRoof.com, Inc. 6587 State Rd 21, Keystone Heights, FL 32656

Email: Sales@RVRoof.com

This warranty shall NOT apply under the following conditions:

1. When the roof has been purposely modified to install a device to the roof that requires cutting or drilling into the roof and you have failed to have the area resealed by an authorized Service Center within one year.
2. When the roof has been damaged by an accident, such as motor vehicle incident and you have failed to have the area resealed by an authorized Service Center within one year.
3. When the roof is serviced by unauthorized persons.
4. Failure of coax rubber boots on TV antennas. Boot must be inspected and replaced if deteriorated.
5. A/C gasket failure. A/C gaskets need to be inspected and replaced when needed.
6. Cracked skylights above coating line.

This warranty is given by RVRoof.com, Inc. 1580 Rivers Road, Green Cove Springs, FL 32043. The warranty gives you specific legal rights and you may also have other rights which vary from state to state. Owner must provide original receipt and warranty for all claims.

Use and Care of Roof:

Wash with non-abrasive household cleaners. Mild bleach/water solutions are acceptable.

Maintain white top coat. The original topcoat should last 20 plus years, dependent on conditions. Once grey starts to show through the white topcoat, it needs to be reapplied. Contact nearest Service Center for appointment or to have topcoat shipped for self-application.

Owners should inspect seals and edges of roof periodically.
